Miss Barnes

Mr D'Rosario

The Year 5 classrooms are:

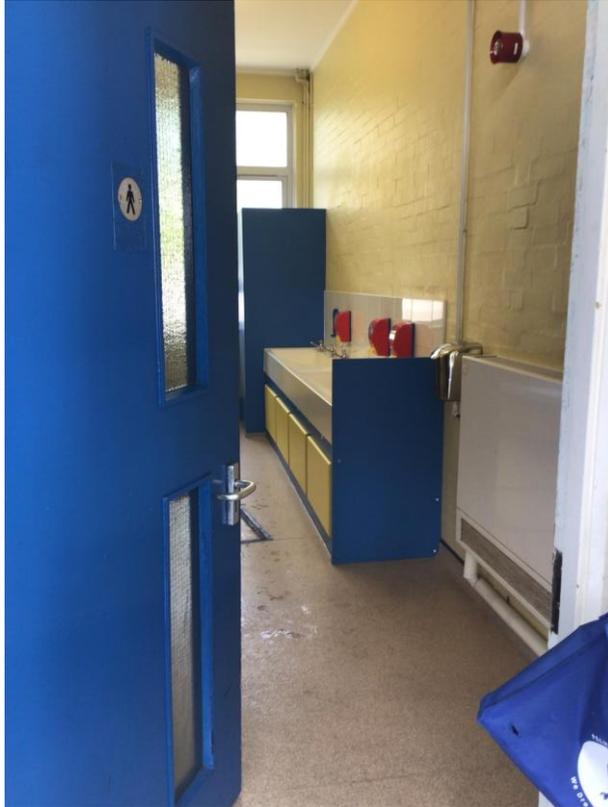

Zebra 

Giraffe 

The Year 5 toilets:

I must ask an adult if I need to go to the toilet.
They will give me a toilet pass lanyard.

My break and lunch times will be here:

Lunch hall

KS2 Playground

My peg area where I will leave my coat and bag:

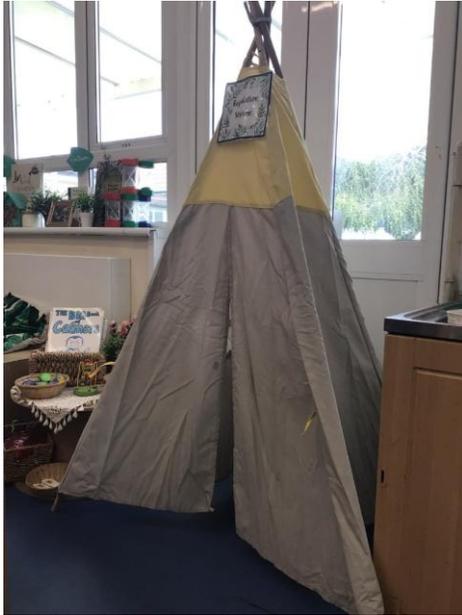

I do not need to bring any stationary to school.

The school will supply everything I need.

I will have access to the Sensory trail and regulation station throughout the day.

There will be a regulation station in my classroom along with a Five point scale if I need support to regulate my emotions.

The Sensory trails will help me to be ready and focused on my learning.

My class will have weekly Library sessions here:

It will be really helpful if I read at home every day.

Our school dog mentors are:

Rufus

Mania

I will see the dogs around the school at break and lunch times and they might even join my class during learning time too.

I would like my new adults to know...
