To Parents and Carers,

Thank you for all your support this week with the changes due to the hot weather. Children have managed really well despite the collection times changing, lunch times changing, and cancellations to lunch and break times due to the heat. They really have been wonderful this week.

**As temperatures are starting to fall this weekend we are going back to our normal school uniform next week. Please ensure that all children are in the correct school uniform with the correct school footwear.**

As you are all aware we have the school summer fair on 10<sup>th</sup> July, we are collecting raffle prizes for this years summer raffle. If you work for a company who can donate a prize to the school please send or give this to Miss Ikpasa. Last year parents contributed some great prizes such as a football tickets, vouchers for a nail salon, trip on the cable cars, toy vouchers and free football sessions plus much more. If you feel you have anything to offer big or small please speak to Ms Ikpasa.

In addition if you would like to run a stall please see the poster below for details.

We are looking forward to some cooler weather next week and getting back into routine, I hope you all have a restfull weekend.

## What Educators Need to Know about INVOICE FRAUD

### WHAT ARE THE RISKS?

Invoice fraud, including payment diversion fraud, occurs when criminals deceive you into paying a fake invoice or redirect a genuine payment into their own bank account. Fraudsters may impersonate suppliers, intercept emails, or send convincing invoices to prompt urgent payment into fraudulent accounts. It is one of the most common and costly forms of financial crime affecting individuals, businesses, and schools.

### COMMUNICATIONS CLAIMING URGENCY

Communications that claim to be urgent or highlight late payments may be a red flag. Fraudsters often apply pressure to rush decisions and stop checks. Take a moment to verify the request using trusted contacts before making any payment.

### CHANGES TO BANK DETAILS

Receiving messages saying a regular supplier has changed their bank account details can be a warning sign. Fraudsters may impersonate contacts to redirect payments. Always verify changes first using known supplier contact details.

### DISCREPANCIES AGAINST PREVIOUS INVOICES

Scrutiny of invoice details that don't match authentically previously issued invoices, such as amounts, reference numbers or contact names. Fraudsters often alter small details to avoid detection. Always query any differences using your supplier's contact details.

### MINOR EMAIL CHANGES

Look out for slight changes to a supplier's email address, such as extra characters or spelling differences. Fraudsters often use similar looking addresses to appear genuine. Always check the sender carefully and verify any concerns using known contact details before responding or making a payment.

### UNEXPECTED PAYMENT REQUESTS

Invoices or payment requests for goods or services you do not recognise can be a warning sign. Fraudsters may send false invoices hoping they will be paid without question. Check records and confirm with the supplier before processing any information request.

### UNUSUAL LANGUAGE OR TONE

Messages with unusual wording, grammar or spelling compared to your usual supplier communications may indicate fraud. Criminals often mimic legitimate messages but may not match the usual tone or style. Trust your gut instinct. If a message seems off, it's better to be safe than sorry. Be cautious and verify the request if anything seems out of place.

## Advice for Parents & Educators

### VERIFY BANK DETAILS

Always confirm any change to a supplier's bank details before making payment. Use a trusted phone number or a long-standing contact you have used before, not the details provided in the request. This helps ensure you are dealing with a genuine supplier and prevents payments being redirected to fraudsters.

### CROSS-CHECK INVOICES

Compare new invoices with those previously issued by the supplier in question. Check key details such as amounts, bank details, reference numbers and contact information. Differences may indicate fraud, so always investigate and verify anything that does not match before making a payment.

### DUAL PAYMENT APPROVAL

Add a second person to review and approve high-value payments. A second set of eyes can help spot unusual details or warning signs that might otherwise go missed. This adds an extra layer of control and reduces the risk of error or fraudulent payments being processed.

### REPORT FRAUD QUICKLY

If you suspect fraud, act immediately. Contact your bank using 118 or their official number and report it to Report Fraud online or by calling 0300 123 2044. Keep all emails and documents for more guidance, or to register for counter fraud alerts, see our counter fraud guidance. You can find the Invoice Fraud Toolkit on the National Crime Agency website.

## FSM / Pupil Premium Eligibility Checker

Changes are coming for  
Free School Meal  
Entitlements

The **Free School Meals / Pupil Premium Service** is a website provided by the London Grid for Learning (LGFL). It allows parents to quickly and easily check their child's eligibility for free school meals and, if eligible, enables the school (Fairford Academy Barnehurst or Pelham Primary School) to receive additional funding known as **Pupil Premium**.

Although all children from Reception to Year 6 are currently entitled to free school meals, it is more important than ever for schools to accurately identify pupils who are eligible for Pupil Premium funding.

This funding helps schools to:

- Employ additional staff
- Provide extra support for pupils
- Invest in equipment, resources, and enrichment activities

From the end of this term, transitional protections for free school meals will be ending. From the start of the 2026–2027 academic year, households must meet the eligibility criteria to continue receiving related benefits, including access to the *Holiday Activities and Food (HAF) Programme* during school holidays.

**We therefore strongly encourage all parents to take a few minutes to re-check their entitlement by visiting <https://fsm.lgfl.net> (Select Bexley as the Local Authority)**

How the service works:

- Parents enter a few essential details into the website
- The system checks eligibility instantly via the Department for Education
- A 'yes' or 'no' result is given immediately
- The school is automatically notified of the outcome
